Demon Layer

Tanjiro has been assigned to guard a very special VIP. A foreign merchant, a man named Adam Il Pagliacci. An influential entity responsible for over half the gunpowder entering Japan in the past four years. He has been given privileges by the current government and expressed interest in the demon hunting cause a few months ago. All he wanted was an escort to his home in the wilderness and Tanjiro thought it would be easy.

Tanjiro and company had never met a foreign man. The country had been open for a few decades now, but none of them had met anyone from Europe in their travels and Adam seemed normal at first. A somewhat strange mannered man with short blonde hair and deep brown eyes. He filled out the Kimono he was given well and it hinted at his muscular physique. However, he'd quickly reveal himself as a complete dumbass.

Adam knew or cared very little for traditional politeness. He was very forward, blunt and aloof when asking questions about everything and anything. He prodded Tanjiro more than he would like about the box on his back. Spooking Zenitsu by finding and showing him poisonous snakes or insects, and Inosuke... kinda liked him? Adam kept finding trouble for them, which thrilled Inosuke and by the third fight Zenitsu had nearly lost his mind, Tanjiro had lost his box, and Zenitsu was extremely wet.

"Dammit, I'm still soaking," spat Zenitsu as he wrung a few drops of water from his sleeve.

"*Hehe*, sorry again guys. It seems like everywhere I step, demons pop out of the bushes!" chuckled Adam.

“You didn’t step into demons, you literally fell down a hill and landed in the middle of a trio of Kappa!” Added Zenitsu as he turned to face Adam, his gaze intense.

“It was *fiiiiine*,” said Adam, “I fell in that big pot and it completely broke my fall, no injuries at all.”

“No you fell in their cooking pot!” Shouted Zenitsu, his pale yellow eyes nearly bulging out of his head as he started down.

“Ooooooh, that explains the radish and potatoes floating around.” exhaled Adam, “And why I smelled so good.”

“Well try to be more careful, Adam.” sighed Tanjiro.

“I admire the recklessness. You fell with the grace I’ve only seen in my country men,” growled Inosuke.

“You fall enough and you learn how to do it gracefully.” Said Adam, nodding with a dumb smile on his face.

“Well fall a bit more before we get to your place.” Continued Inosuke, “The fights have only been getting better and better.”

“What?!”

“Don’t encourage him!” Zenitsu protested, clearly a bit jittery, “He takes a shortcut through a clearing into poisonous spider demons. Then he climbs a tree looking for the path and finds bird demons, then to top it all off he has us fighting Kappa! Adam has got to be the most cursed human we’ve met.”

“Don’t worry Zenitsu,” interjected Adam. He nodded sagely and gave him a thumbs up as he continued “The spiders weren’t venomous, they had rounded heads and rounded pupils-”

“Those are the identifiers for venomous snakes.” Sighed Tanjiro as Adam missed the point.

“Mmmmmhmm,” Nezuko affirmatively grunted as she held her brother's shoulder.

“And the Kappa destroyed Nezuko’s box!” added Zenitsu.

“Kinda wild how they could shoot water hard enough to break it.” added Inosuke. He pondered a moment before turning to Zenitsu, “You should be happy they only got you wet, you needed a shower anyways.”

“Stop laughing or you will pay for his sins as well!” shouted Zenitsu.

“Don’t worry, I’ll make sure to compensate you with a replacement box.” Said Adam, stroking his chin, “Though, I’ve never met a demon hunter who kept a demon around.”

“*He-he*, well it’s a long story.” responded Tanjiro as he gave Adam a forced smile.

“Long stories are best saved for a long dinner if you want to join me for the night?”

“Oh no,” muttered Tanjiro, “we couldn’t stay for-”

“I insist, I’d feel terrible if your sister was caught out in the sun.”

“And whose fault is that,” muttered Zenitsu

Tanjiro looked down at Nezuko who gave him a reassuring nod and Tanjiro continued, “Alright, I hope we won’t be a burden.”

“Not at all,” chuckled Adam as he pointed up, “Just take a look and you’ll have more rooms than I know what to do with.”

The ‘house’ in the mountains was more like a towering pagoda. With each floor featuring a large overhang covered in dark red tiles, and each corner lit by a golden kaitomoshi. Which shined like will-o-wisps in the bleak moonless night, an impressive home to say the least, reaching a quality that none of the group expected. Though, the fact Adam had decided to build it at the end of a snaking mountain path instead of the beginning said a lot about the man.

“It’s incredible,” commented Tanjiro.

“How do you even keep a place like this out in the boonies?” asked Zenitsu.

“Aw shucks, you’re so sweet.” Adam blushed as he rubbed the back of his head, “It’s mostly upkept by my loyal servant Mitzy, and firearm cash keeps the food coming.”

"It's gonna take us a while to get up there." said Tanjiro as he looked up the long winding stairs that ascended the cliffs.

"Are you saying I am slow?!" Shouted Inosuke.

"No one is saying-"

"I'll easily beat you all to the top!" Continued Inosuke as he grabbed onto the cliff face and started climbing, "you'll have to spend the entire trip looking up at me!"

"*Hahaha*, fat chance!" Shouted Adam as he joined Inosuke. He was managing to keep pace as they scuttled up the side of the cliff.

Tanjiro let out a small sigh, 'God I hope they don't fall.'

"*Hmmmm!*" groaned Nezuko as she hugged her brother's back, nuzzling him for a moment as he looked up at his friend and ward both cresting over the first steps.

"We better go catch them." Said Tanjiro as he speed walked up the steps making sure to stay just below Adam the entire trip up. It looked like he was about to fall a couple times but he managed to keep his grip and even beat Inosuke to the top. An act that kept Inosuke a bit pouty throughout the tower tour.

From the second the group arrived they were shown foreign technology. Adam used something called a telephone to alert the servants to prepare dinner. Though until food was served he showed the group around the tower. The inside of the tower was the waishitsu style they expected, but the painted scenes on the tenjo (ceiling type) had various wires running beside the panels. While the first floor was littered with various Japanese cultural objects. No doubt gifts from the various politicians he'd met. Lots of things like: beautiful katanas, shining teapots, and numerous portraits and paintings from around the country, some of the more famous portraits Tanjiro recognized.

Though when Tanjiro tried to ask about them, Adam brushed him off like he didn't even remember his various meetings. However, all of Tanjiro's mild concerns would be set aside when dinner started. Adam threw open the doors to a decently large dining room, with pillows large enough for each of them to lounge. They could enjoy the spread laid out in front of them.

Tall racks of ribs from pig and cow were glazed by a dark sauce; beside a pile of perfect pink wagyu beef steaks, dripping with succulent juices. An ample amount of meat on the

bone was provided. It had been fried, given a golden crust, and basted with honey. Adam apparently didn't care much for traditional Japanese cuisine, but he did enjoy rice. Almost every dish available was beside a generous helping of it. A copious amount of saki and something called dark beer was provided to wash it all down.

Tanjiro didn't much like the taste but Zenitsu played a little prank and made him swallow more than a mouthful by tipping his glass. Yet, the more Zenitsu drank the more he didn't mind the taste to the point he felt sad when Adam left to go get more drinks. Though he didn't leave before offering a final finery. He opened a box on a nearby table and showed off a curious device he called a gramophone.

He placed a large black disk on the top and sounds came out the large brass horn that loomed over the top of the small box. It emitted a rather sweet song that started soft and swelled at parts, featuring instruments Tanjiro had never heard. It was not hard to relax and before Adam left he lit some incense in an interesting ovoid burner before leaving. Its sweet scent almost put Tanjiro to sleep, but as his eyes closed he realized something.

>song for those who want it (Yes there is a joke here):

Wait, I haven't been able to smell a thing... His eyes darted open as the sudden realization hit him. Ever since he entered he'd been so distracted by Adam's attitude, the food and scenery, but now...

"Sniff... Sniff... Sniff, hmmm," groaned Tanjiro, scratching his belly. He didn't feel concerned, surely there was a reason his host's home was so sanitized. Though there was a hint of something strange underneath the sweetness, not strange bad, but strange good.

"Neziko, do you feel-" Tanjiro paused as he watched Neziko knock back half a bottle of saki. She was out of her gag and looked very aloof. She just turned and gave Tanjiro a big smile as she giggled and took another sip.

Tanjiro paused for a second and sniffed his drink. *"Sniff... Sniff... Sniff, mmmm,"* he groaned as he thought, *I don't smell anything mixed in. Maybe it's just my-*

"Tanjiro you look weeeeird!" chuckled Inosuke.

"Hehe, Ino-suuuu-K," giggled Zenitsu, "Your lips look fuuunnie he-heehn."

“What do ya mean!” Pouted Inosuke through his now thick lips. They weren’t massive or anything, but they almost had a feminine quality to them. Tanjiro found it weird and tried to stand up to get a better look, butt...

“*Whoaaa!*” shouted Tanjiro as he fell on his face, he felt completely off balance and he could immediately see why.

“Tanjiro you’ve got a big... *hick! Booty, hehe.*” giggled Zenitsu.

“So do you Zeny,” spat Inosuke as he dropped his drink. He pointed to Zenitsu’s ass which was now pushing against his hakama, “You’ve got the ass of a hostess now.”

“*Eeeep!* What the hell,” sputtered Zenitsu as his ass started to expand at an incredible rate. His new absolutely massive ass cheeks turned his trousers to tatters, strips of black cloth covered the floor as his now melon sized cheeks reached ridiculous proportions and that wasn’t all. Zenitsu’s thighs thickened and squished together to prop up his new cellulite stuffed ass cheeks. His hips expanded to match the new fat jiggly mountains that were his fat ass, and the same was true for Inosuke and Tanjiro.

Tanjiro’s pants fell to tatters around his knees as his cheeks expanded into a pair of jiggly soccer balls, propped up by the sheer strength of his quickly thickening thighs. There was no doubt he had an ass that could make a professional whore jealous, and Inosuke was much the same way, his new massive ass cheeks were now flossed by his white fundoshi. He tore off what was left of his ruined clothes, revealing his changes were exactly the same as Tanjiro and Zenitsu. Additionally his pecs became puffier, his nipples grew larger and beefier. They looked incredibly sensitive.

“*Whu-what the fuck is-hnnngghh!*” groaned Inosuke as he grabbed his pecs. His fingers sunk into his soft flesh and he let out an unwilling groan of pleasure.

Soon Tanjiro could feel a heat build in his chest. His cock throbbed as he felt his body change, he quickly pulled off his clothing to discover his pecs now matched his companions. Zenitsu’s small pink nipples had grown into sensitive little nubs that twitched as he drooled and spat soft moans. Yet, none of the boys held a candle to Nezuko’s chest.

Tanjiro’s once petite sister now shared an extra fat dump truck ass that rivaled the boys. Her clothes were thrown to the floor in a sudden fit and now her hips, and tight tummy were completely on display. Beads of sweat ran down her soft midsection and off her new tits. Two massive mammaries that extended nearly two feet off her chest and sagged half, covering over half her midsection. Her gag fell out of her mouth and Nezuko’s tongue

flopped out of her mouth as she let out a groan of pleasure. Her new areolas were now the size of Tanjiro's palms with nipples that stood up like thumbs.

"Nezuko! Are you okay?" shouted Tanjiro, but he got no response.

"Hey everyone, I'm back!" cheered Adam. An ear to ear grin on his face as he kicked down his own door.

"You bastard!" Shouted Inosuke as he charged head first, "you're gonna pay for-"

Slap!

Slap!

Slap!

Adam quickly side stepped Inosuke's assault and planted a Trio of well placed smacks across Inosuke's cheeks. His soft flesh rippled like water with each hit and Inosuke... fell almost immediately.

"*Hnnnggghh!*" he groaned and he slumped on the ground face first. Body trembling as he lay at Adam's feet. Despite the fall only being a second, Tanjiro was pretty sure Inosuke made a sloppy *ahegao* as he fell down.

"Inosuke are you okay!" shouted Tanjiro as he pushed his body off the ground.

"What the hell did you do to us!" shouted Zenitsu.

"Shouldn't that be a little obvious, dumbass?" responded Adam.

"You fucking pervert I knew we should've-*aahhhgggghh!*"

"Shut it sissy and listen like good girls." Adam sneered as he jumped in front of Zenitsu and twisted both of Zenitsu's new nipples. Tanjiro could see he tried to dodge, but Adam was too quick and easily reduced Zenitsu to a sputtering mess.

"*Ahhgggghh, shttooop!*" groaned Zenitsu as Adam twisted harder, resulting in a small stain appearing over the front of Zenitsu's fundoshi. Tanjiro tried to avert his eyes from his friend's shame, but he looked directly at his sister who was panting like a bitch in heat. Nezuko was rubbing her nipples as she watched Zenitsu squirm, her breath heavy.

Could she be enjoying this? thought Tanjiro. Though, his concerned thoughts were quickly cut by Adam's voice.

"God you're even weaker than the pig guy."

"*Nuh*-not a pig!" grunted Inosuke.

"I expected such mighty demon hunters to be a little bit stronger," chuckled Adam, "but you Japs are all just a bunch of sissy whores-"

"I don't know what you did, but I will not let you have your way with us." Shouted Tanjiro, defiant as he grabbed his scabbard off the ground. He remained proud despite his new cheeks jiggling like jello with every motion. Adam wasn't a demon, but he couldn't be allowed to live considering what he did. Though in the back of his mind Tanjiro hoped there was a cure somewhere in this tower or the walk back home would be awkward.

"You're no fun. Why don't you get into it like your sister." spat Adam as he let go of Zenitsu's nipples.

"*Mmmm*, Nezuko are you alright-*ooompph!*"

"And down goes the third." continued Adam with a sadistic cheer as he planted his knee against Tanjiro's crotch.

"*Huuurrrggghh!*" grunted Tanjiro as his eyes rolled up into his head. His sword clattered the ground as he slumped over onto the table.

"*Ooooooph*, that sounded rough, sissy. I hope I didn't break anything important?" chuckled Adam as he gave Tanjiro's new fat cheeks a slap, "*Ha*, I think we both know your little micro clit isn't very important."

"*Uhhggghh*, *whu*-why are you doing this, aren't you human?" Gurgled Tanjiro as he rubbed his sore crotch. He turned his head back, one eye facing Adam as he knelt and groped Tanjiro's cheeks.

"Well my home was feeling a bit empty, soooooo I decided to lure some prime cut Jap-sluts to use and abuse." Responded Adam, his smug grin growing with each word. "But don't worry, you'll all be my new bleached bitches and you'll wish I made you my sissy fuck sleeves much sooner."

“What are you even talking about?” shouted Tanjiro, “take me if you must but spar -ahhhnggghh!”

Slap!

Slap!

Slap!

Slap!

Slap!

“And spare your friend their first taste of white dick?” Asked Adam as he slapped Tanjiro’s ass. His fat cheeks rippled and jiggled as Adam shook his head with shame, continuing, “That would be rude to do to my guests, especially since your sister looks so excited.”

“*Mmmnggghh!*” groaned Nezuko as she rubbed her new sensitive tits. So many new feelings just flooded her brain, she wanted to defend her brother, but her pussy kept throbbing. The constant jolts of pleasure made her legs limp and Nezuko was forced to watch Adam slap her brother’s backside.

“Honestly, I was expecting more resistance, but it seems you’ll all be white dick addicted whores by morning, just like my current maid...” Adam looked over his shoulder, “speaking of, where the hell is she?”

“Here I am, master! I just had to get a couple things.”

“Is that... Muzen!” shouted Tanjiro, his eyes widened and he felt fear grip his heart for a moment.

It was Muzen’s female face, the long black hair and shape were mostly the same. Her lips looked much thicker and painted a rosy red, but his... or her body was very different. Muzen had a pair of tits on her chest that were bigger than Tanjiro’s head. Each puffy nipple was inside a bright red heart and that wasn’t the only ink Muzen had received. Over his tight stomach was a stylized womb tattoo. A large red heart with a doily out and a large white ‘Q’ in the center. The whole thing was underlined by a queen of hearts grapevine that snaked around Muzen’s wide hips and down towards her caged cock. Muzen had a pair of fist size nuts, both nuts branded by a big red queen of heart and the flat topped

cage dribbled a small stream of pre-cum. Muzen looked down at Tanjiro, a silver platter in one hand as she smiled.

“Hehe, Muzen was my old silly name.” Giggled Muzen covering her mouth like a giggling school girl, *“I’m Mitzy the ditzy demon maid and I exist to be my master’s dumb bleached slave.”*

“Such a stupid little slut, I can’t believe you used to be a big bad demon.” Mocked Adam as he slapped Mitzy’s ass, causing her soft flesh to ripple.

“Ahhhhh, master! No one, not even demons, can win against big white dick, especially yours.” Mewled Mitzy as she leaked clear pre-cum from her tight cage.

The group just stared, all the changes and beats Adam just gave them faded into the secondary as the wondered how the fuck Adam managed to subdue Muzen. It was definitely him or now her. Tanjiro could recognize the scent, but that didn’t connect to how or when Adam managed to do a literally impossible feat.

“Man you all look dumb and drooling already.” Adam chuckled as he walked over to the incense burner and placed the lid over top, *“It looks like my incense did the trick.”*

“We’re not empty yet!” protested Tanjiro, *“We’ll defeat Muzan and free you from-”*

“Heeeeeey!” shouted Mitzy, her cheeks puffed up as she fidgeted with rage, *“I’m like masters dumb bimbo by choice! He totally beat my cheeks and instead of killing me, I got to be his futanari fuck slut!”*

“What the fuck...” muttered Zenitsu, his body still trembling as he looked up at Mitzy.

“I don’t wanna harm a hair on any human’s head. I just wanna be my master’s dumb bleached pet.” Mitzy squatted beside her master and placed the platter on the table. It was stacked full of collars, dildos, nipple clamps, beads and more. Though, the new spread didn’t hold their attention for long.

“Just look at our master’s big white dick!” giggled Mitzy as she pulled down Adam’s pants.

The group wasn’t sure if they were looking at a man or a beast’s meat. Even most donkey’s didn’t have a girth that could compare with Adam’s massive cock. As thick as two wrists and nearly as long as a katana, the shaft was covered in pulsating veins with a twitching pink cock head covered in beads of sweat. His crotch was covered in tufts of

thick blonde hair, but his heavy melon sized nuts were nice and smooth, practically bursting with cum.

“Isn’t master just incredible!” continued Mizty with hearts in her eyes as she kissed Adma’s heavy sack, “*mwwwaaaah!* He pinned my fat demon ass down and fucked me until I was seeing stars.... *Oooh*, but I am being greedy.”

Snap!

At the snap of Mitzy’s fingers Tanjiro and Nezuko were moved to Adam’s feet. Grand demonic power used to push both brother and sister beneath Adam’s pulsating meat.

“*Snooort... Snoooort.... Hnnnggghh*,” groaned Tanjiro as he knelt beneath Adam’s cock. Taking a deep inhale of his scent, and he loved it. His cock hardened and leaked over the inside of his fundoshi, creating a visible stain. Tanjiro hated the fact he liked the scent so much but his sister loved it more.

“What a good little demon, you’re like a born white nut huffer.” Cooed Muzen as she watched Nezuko bury her face between Adam’s cum tankers. Her soft pink lips planted dozens of kisses all over his sack, while she did her best to suck up all the sweat.

“Such a good girl. You’ll make a fine, pet.” said Adam as he reached down and stroked Nezuko’s long hair.

“*Mmmnnnnnggghhh!*” groaned Nezuko, her brain melted as her brother watched. A mixture of anger and confused jealousy on his face. Tanjiro could feel his mind straining with each inhale, he didn’t like it but he wanted to be right beside Nezuko huffing nasty white ball sweat.

“However, it seems like your brother needs some convincing.” Said Adam as he pushed his heavy shaft against Tanjiro’s face, “What’s wrong, Tanjiro? You’re practically salivating, why don’t you just give in?”

“*Hnnnggghh*, I don’t-*snoooort... mmmngh*, I’m not gunna, *hnnhhgghh!*”

Adam pushed his shaft against Tanjiro’s forehead as he continued, “How about this then. I’ll reverse the changes if you can resist me for one night.”

“*Hehe*, but master,” giggled Mitzy, “he won’t last another five minutes. He has nearly creamed his undies.”

"I am sure a big strong Japanese man like Tanjiro should be able to last one night without cumming the last of his brains out." Said Adam as he lifted his shaft off Tanjiro's face.

"*Hnnnggh, mmmm uuuuuhhnngh,*" groaned Tanjiro, his face sloppy. Drool dribbled off his lips as his eyes focused on Adam, Oh yeah, I can definitely last-

"Good now stop being a prude and help your sister." Ordered Adam, dropping his shaft on Tanjiro's face, "There is a lot of cock left to clean."

"*Unnnngghhhh,*" groaned Tanjiro, his sense of smell utterly ruined. Adam's pungent musk filled every inch of his nose as he ran his tongue up the underside of his fat white shaft. It took dozens of licks to clean the underside of Adam's shaft and Tanjiro's little dick trembled and leaked with each one. His body was betraying him to his new desires and Tanjiro quickly joined his sister in Worship. Their tongues met a couple times as they cleaned Adam's heavy shaft and cock tip.

"*Uhhgghh,* let Nezuko go!" groaned Zenitsu, "*shu-she is a pu-puh-pure muh-maiden and w-wu-ood nuh-never-*"

"Shut it sissy," ordered Adam, sparing Zenitsu a steely glare, "Just look at her worship my white cock. I bet even you're smart enough to realize that deep down in every Japanese girl there is a white cock slut waiting to get out."

"I don't like girls who talk back to my master like dat!" Mitzy walked over to Zenitsu, raised her hand and;

Slap!

Slap!

Slap!

Ahhhhhggggnn!" groaned Zenitsu as Mitzy bent his trembling body over the table and beat his cheeks. His fat flesh rippled like water with each heavy impact.

"Now apologize to my master or... wait." Mitzy paused and flipped Zenitsu over onto his back,

"*Huuggghh!*" groaned Zenitsu as he was exposed.

“You little brat, who said you could cum without permission?” Spat Mitzy as she tore off Zenitsu’s fundoshi, exposing an absolutely pathetic little two inch cock with a pair of tiny nuts below it.

“It looks like we have a little masochist in the making,” chuckled Adam as he pet Tanjiro and Nezuko on the head.

“*Mmmhmmnnhh*,” groaned the siblings, they were a little too into shaft slurping to really care about whatever was happening to Zenitsu. Their brains were too full of dick and Tanjiro was willing to keep looking like a good boy until Adam was satisfied.

“Why don’t you make Zenitsu look a bit more appropriate.” Adam ordered.

“Do you want me to get some outfits from... Oh, silly me!” Giggled Mitzy as she hit her head, “I get what you mean, master!”

“Wait, what are you-*mmmmggh!*”

Mitzy leaned over, her massive tits pressed against Zenitsu’s face, smothering him as she looked over the platter. She picked a flat topped golden chastity cage and a pair of matching nipple clamps connected by a shining chain. Mitzy pulled back, removing her breasts from Zenitsu’s face, exposing his little dicklet that had just cum and was now a limp leaking nub.

“*Ewww*, such a gross little clitty.” Smeared Mitzy, her cheery demeanor breaking for a moment as she grabbed Zenitsu’s little package, “Maybe I should just crush it now and get it-”

“Be nice to the bitch boy, Mitzy. It’s not his fault that Jap men are worthless.” Teased Adam while his hard cock leaked beads of pre larger than Zenitsu’s load. Which the pair of siblings eagerly lapped up without a second thought.

“You’re like super nice, master! Isn’t he so nice to you sissy?” Spat Mitzy as she locked the cage around Zenitsu’s cock. The ring fit nice and tight while the sheath pressed every last inch of his little clitty flat.

“*Hnnnggghh*, too tight,” groaned Zenitsu as Mitzy attached the clips to his puffy new nipples. Immediately he started leaking through the holes in his new cage. His clear watery cum sputtered over the ground as Zenitsu laid on the table limp.

“There you look much better with that tiny little dicklet locked!” added Mitzy as she gave Zenitsu a big bubbly smile, “Now you’re totally ready for master’s love.”

“Bring the bitch boy over here. I think my pets have done a good job getting me primed for the first round.”

“Mmmmmm,” moaned Tenjiro, he felt so ashamed but his cock twitched as Adam praised him for his efforts, and from the sound of it so was Nezuko. She was letting out soft moans, and started licking him faster.

“Hnnnggghh, noooo...” Moaned Zenitsu as Mitzy dragged his fat ass down the table to Adam.

“Get ready sissy.” Growled Adam as he knelt down, pushing Tanjiro and Nezuko to the sides as he grabbed Zenitsu’s hips and slapped his cock over Zenitsu’s cock.

“Eeeeeeep,” cried Zenitsu, eyes wide, “eh-it’s *tu-tuh-too* big.”

“I think it’s the perfect size!” responded Mitzy, a hint of sadism in her voice as she continued, “How else is he gonna crush your little prostate and make you a real girl?”

“Hnnnggghh, my prostate!”

“I am gonna break more than your p-spot sissy. Just look at how long I am in comparison to your little dicklet. You’re not even one tenth of my size.

“Nu-no please you can’t put it in me, I’ll die!” sputtered Zenitsu, shivering with each word he spoke. Adam’s massive white dick reached just below his pecs, and there was no telling what kind of damage he’d do if he actually stuck it in.

“You’re such a bitch. You’ll be fine,” said Adam, “after all, you’re built for big white cock.”

“Mmmnnnggghh, I’ll *nuh*-never be married now.” whimpered Zenitsu as he felt Adam’s cock tip press inside his tight little buttthole.

“Don’t worry sissy, I’ll let you marry my cock!”

“Nyyggghhhh, *fuuuccckk!*” cried Zenitsu, his eyes rolled up into his head as Adam slammed his cock inside his asshole.

The sound of Adam's heavy nuts slapping against him filled the room. With wavy thrusts his heavy spit slicked sack collided with Zenitsu's cheeks as his cock bulged Zenitsu's belly. Nezuko, Tenjiro and even Inosuke watched, horny and amazed that Adam's cock could deform Zenitsu's stomach, but what was even more surprising was Zenitsu was enjoying it.

"Hnnngghh, I'm gonna bu-beeee a guuurrrr!" he drooled, his lips curving into a sloppy smile as Adam's cock destroyed his masculinity.

"Not yet, I still need to make you cum anal only like a proper Jap sissy!" Teased Adam, he paused and looked at Mitzy, "And while I do that, get me some more food, Mitzy."

"Yes master! Shall I choose some outfits for your new slaves too?"

"Make sure to get something tight for Zenitsu."

Slap!

Slap!

"A pathetic maso-sissy like him needs a matching outfit." continued Adam.

"Yes master, you're super correct as always." Giggled Mitzy, waving goodbye to the group as she skipped out of the room.

"Now then, let's crush whatever silly ideas you had of ever being a husband."

"Ahhnnnggghhh!" groaned Zenitsu as Adam started moving faster.

"And make you into a wife!" Adam grabbed the golden chain connecting his boi-wife's puffy pink nipples and pulled during every thrust inside.

"Hnnnggghh!"

"Ghaaaggghh!"

"Nyggghhhffffmm!"

Zenitsu's face degraded to a pained Ahegao as he sputtered moans. His sloppy voice filled the room and echoed down the halls as his insides got absolutely decimated by Adam's dick and Nezuko seemed really into it. She was salivating as she watched Zenitsu groan in pain and pleasure. His crushed sissy clitty leaking pathetic pre-cum like a broken faucet as his prostate was crushed by Adma's cock.

"Come on sissy, don't pass out on me yet." Shouted Adam, "I'm getting very close... *Hnggh!*"

Adam grunted and blasted a disgustingly thick load of ball slop into Zenitsu. There was probably more cum entering Zenitsu's ass right now than the three "boys" would ever produce in their entire lives. Zenitsu's clit spurt and his body shivered as his belly expanded to the point he looked several months pregnant.

"Not bad blonde," grunted Adam as he pulled his cum slicked meat out of Zenitsu, "You'll be taking cock like a real girl soon."

"*Uhhhnngggghh*," groaned Zenitsu, completely defeated. He'd probably never be able to cum without Adam's cock again, but now that didn't seem like such a bad thing.

"As for you." Adam paused and looked at Inosuke whose sloppy gaze met his, "Are you ready for your turn?"

"*Mhhhhnnnn*," groaned Inosuke as he rubbed the little bulge his cock made in his fundoshi. His cock was only slightly bigger than Zenitsu and no doubt Adam would mock his size, but that thought only made him more horny. His eyes unblinking as he watched Zenitsu get his holes destroyed. It felt so good to goon, but he still had his pride!

"*Hnnnn*, fu-fuck no! I'd never willingly touch your dirty cock, no matter how horny I get!" shouted Inosuke trying his best to scowl.

"I suppose that is for the best."

"What do you mean!? Do you think Zenitsu is a better fuck than me." Shouted Inosuke as he pushed his body onto the table. He slowly crept over the table, posed to strike like a feral animal.

"Of course, I bet you're not even a tenth as tight as him post butt breaking. In fact I should really use him again."

"*Hnnggggh*," moaned Zenitsu, his voice weak, "*puh*-please be gentle..."

“No way! I am a thousand times better than that pathetic sissy!” Shouted Inosuke, nearly foaming at the mouth with rage as he scuttled across the table, and got right into Adam’s face, “I bet you’ll cum in under a minute using my ass, you won’t even need Nezuko or Tenjiro.”

“*Ahhhgggghh!*” cried Nezuko, protesting Inosuke taking her turn, but it went mostly ignored.

“*Haha*, you won’t last a minute bitch boy, but I’ll give you a shot and you can even dictate the pace.” Said Adam as he walked back and laid down on one of the pillows.

Inosuke hopped over Adam’s body straddling him as Inosuke looked down at him with a growl on his face. He slipped Adam’s shaft between his two new massive cheeks and at least half his shaft poked through the top. Inosuke was beginning to get a little nervous, each pulse reminded him that Adam had a horse sized dong. Though his new technique (assjob) already had Adam’s cock leaking pre-cum.

“Nezuko, why don’t you come over and help Inosuke. He seems a little too squeamish to use his ass.”

“*Hmmmmmm!*” moaned Nezuko as she quickly crawled forward. Her eyes immediately lit up as Adam called her over.

“Fine! I’ll put it inside. Just gimme a minute...” Inosuke bit his lip and moved his hips up. His tight asshole pressed down on Adam’s tip. He was getting ready to slowly take Adam’s fat white donkey dick, so he’d have a chance of not breaking, but instead Nezuko grabbed his hips.

“Nezuko what are you-”

“*Hmmmmph!*” Nezuko’s cheeks puffed out as she slammed Inosuke’s sissy boy hips down on Adam’s dick. His cock quickly made a stomach bulge that looked like Nezuko shoved her entire arm up Inosuke’s ass. He was thoroughly stretched, but surprisingly not broken.

“*Hnnngggghh, disshh nu*-not even hard. I can do this all day!”

“That’s great news, but I don’t want you to stand there sissy.”

SLAP!

SLAP!

Adam gave each side of Inozuke's cheeks a slap and ordered, "Start moving those hips and Nezuko you can return to ball worshiping. I promise you'll be filled next."

"Mmmngggghh!" Nezuko let out an affirming moan as she fell to her knees and cradled Adam's nuts. Kissing them and cooing with each lick.

"Hnnngggh, I can't let you do it alone, Inosuke. It would be unfair..." Tanjiro crawled beside his sister determined to aid his friend in milking a quick load out of their host. How many more loads could Adam have left inside him? His balls felt like they might be ten percent empty (if they were lucky).

"Fucking hell, *mmmph*. Are you a *huh*-horse?" Grunted Inosuke as he gyrated his hips on Adam's dick.

"Most horses wish they had a cock as big as mine. Now keep those hips moving."

"Rhhgggghh, keep it up gaijin and I'll squeeze your cock so hard I'll come off!"

"Good, I was hoping your loose boi-pussy would get tight."

"Mmmmnggh, I'll show you tight, bitch!" Shouted Inozuke, exhaling steam through his nose. He was pissed and started moving like a beast in heat, using all the strength he had to squeeze and slam his fat ass cheeks down on Adam's meat. His virgin boi-pussy performed beyond its level thanks to Inozuke's muscles working overtime. He thought he would give in first but surprisingly Adam did.

"Hahaha, you're already cumming like a-*mmmmh, hooorse!*" Inozuke's voice broke as he watched his abs get deformed by the cum load inflating his stomach. He was pretty sure not even horses could cum so much, there was too much. Adam's seed spilled out of his ass but luckily Nezuko and Tanjiro were there to lap up the sticky seed.

"Hnnnggh, thanks guys," muttered Inozuke as he looked over his shoulder, "but I think we're done."

"Mmmm-mmmmnggh!" moaned Nezuko as she looked up with cum staining her lips and shook her head. Inozuke looked back at Adam and realized he was not tired at all. His big white dick was still hard and Inozuke's body shivered as he felt it throb inside him.

"Mmmm, you got super tight, sissy. Much better than the maso-slut on the table."

“Does this mean you’re done?”

“Of course not! I’m ready for round two right now.”

“*Buh*-but you’ve already cum *twu*-twice!”

“Yup and that only means I have ten or so loads in me before I take a break!”

“Ten! What the fuck do you eat?”

“Well I’m not a sissy that dribbles out his loads. My cock was made to breed unlike some people.” Adam grabbed Inozuke’s hips, his hands sunk into the soft pussy-boy flesh as he continued, “But this round I’ll be nice to you sissy and do most of the moving.”

“*Hnnngggh*, do your wor-*ssshhh*!” Inosuke clenched his teeth as Adam started to move. His cock churned up the massive load he’d shot in Inosuke’s belly. Each deep rutting motion resulted in Inozuke’s limp clit spurting more drops of clear pre-cum. He could hold back during the first round with Adam, but his swollen prostate couldn’t take any more punishment and Inozuke’s cum rained down over Adam’s crotch.

“It looks like you’re enjoying my worst sissy. Have you already broken?”

“*Hhnnnggghh*, *nuh*-not even close!” sputtered Inozuke as he started moving his hips. His distended cum belly jiggled and shook, cheeks clapping as he moved at pace with Adam. Even if he couldn’t stop squirting, he could still try and milk another load or two before Adam moved on to the other two.

“*Nu-nuh*-now fuck me, faggot!” Inozuke tried to sneer but instead his eyes fluttered and his lips curved into a crazed half smile as his mind melted from the pleasure.

“Such a silly little sissy, I’ll have to pound your place deep into that small little mind of yours.”

“*Nnnnygggh*, *ju*-just try!”

Though Inozuke tried to hold back the waves of pleasure he didn’t have the raw stamina to deal with Adam’s thrusts. Soon his balls were empty and the hands free sissy-gasms went dry. The last piece of his masculinity broke and Inozuke became a dumb drooling mess. A limp sissy fuckdoll propped up by his master’s hard cock that he definitely wasn’t enjoying.

Tanjiro only desperately squeezed the cum from Adam's dick to keep it from Tanjiro and Nezuko, but that wouldn't work for long.

"Well such a performance is to be expected from such a sissy. Still you've earned yourself a second load. Savor it," teased Adam, his cock gave Inosuke a double stuffing that surprisingly Inosuke handled decently well.

Inosuke's stomach expanded and his broken asshole leaked fresh cum, which Tanjiro and Nezuko eagerly lapped up. Adam took a moment to relax and left Inosuke impaled on his cock. He wanted to make sure his new sissy's boi-pussy managed to squeeze every last drop.

Then once he was done.

"Now take a break, I'll eventually get back to you." Adam pushed Inosuke off his cock and was greeted by quite the site. Nezuko on all fours, swaying her fat ass cheeks with Tanjiro resting on her back. Her massive tits squished against the tatami mat as she looked back, panting hard.

"White cock! Gimme white cock," begged Nezuko. She spoke her first words in ages, shocking her brother as she shook her jiggly Japanese cake. She nearly bucked Tanjiro off her back as she moved, but she wanted Adam's cock inside her so badly.

"What a greedy demon." said Adam as he leaned up, and moved onto his knees. He grabbed Nezuko's hips, his chest cushioned by Tanjiro's fat ass as he pressed his cock head against her new puffy pussy lips. He was content to tease her slowly, but Nezuko wanted more.

"*Moooooreee! Haaarder!*" whined Nezuko, drool dribbled off her lips as she moved her hips back, her pussy swallowing the first six inches of dick without any resistance.

"*Mmmmm*, a virgin, yet already so slutty. You're basically a big bimbo succubus." Continued Adam, sinking another half a foot of dick into her.

"*Uhhnnngggghh!*" Nezuko nodded quickly as Adam started moving his hips.

If Tanjiro had any doubts that his sister was completely smitten by Adam's big white cock, they were gone. Nezuko was taking a dick bigger than his arm and she was letting out such sloppy groans. So sweet and lewd they would probably make whores blush, and she

didn't just take it. Nezuko moved her hips at pace with Adam, demonic strength and stamina literally in service.

Maybe she has become a succubus, thought Tanjiro as he felt the force of Adam's thrusts through Nezuko's body. He looked back over his shoulder at Adam watching the man's every grunt and motion. There was truly a super human level of force behind his thrusts and Tanjiro could feel the thoughts creep in as he looked over his cum-bloated companions.

Could Adam be right, am I really just going along with his game or am I really a sissy? This thought excited Tanjiro, his little four incher throbbed harder, but he felt so ashamed. Was he really gonna let his sister be taken by this horrible white brute? Even if his cock did smell so fucking good, that was no reason for Tanjiro to give in completely.

"Nygggggghhhhee!" Nezuko's eyes rolled out of her head as her long tongue fell out of her mouth. She couldn't stop moaning as Adam's massive meat hammer beat her insides. Turning her completely to mush. Tanjiro could feel his sister getting weaker with every thrust, but she managed to withstand it for enough time to receive a very special seeding.

"You've been such a good pet, Nezuko. Unlike these sissies you understood your place almost immediately."

"Ahhngggghhh!"

"Now enjoy being filled to the brim." Adam started cuming and much like the others he went deep as he shot. His shaft pulsed and blasted cum like a fire hose. Nezuko could feel her womb expand with every rope shot. Then without any warning Adam pulled his cock out mid orgasm and shoved it up Nezuko's ass. The vast majority of his load filled her lower intestines until her inflated cum belly pushed up against her tits and touched the floor.

"Mmmmm, I could pound these holes all night." grunted Adam as he filled Nezuko's asshole with the final few thick ropes of seed. Tanjiro expected Adam would pull out soon, but instead he kept pounding Nezuko's insides.

"Hnnngggghhh!" Nezuko's brain had melted and her body was no better than a pudgy sex toy at the moment. However, she was still thrilled to receive more of master's love.

"Bu-but what about me?" whined Tanjiro.

"I think I'll be content with your sister's tight pussy and asshole this evening. No need to take your anal virginity tonight." Said Adam as he gave Tanjiro's cheeks a little slap.

"Wait... does that mean we're free?"

"Of course, your sister may want to stay, but I'll be more than happy to reverse the changes. You can spend your life wiping out the rest of Mitzu's silly demons and you'll never see me or my cock again."

"*Hnnnggghh*, I don't..." Tanjiro bit his lip as he felt a heat grip his chest.

"Now if you'll excuse me, I need to keep training my new bimbo's holes. She needs a lot more practice-

"*Mmnnn*, *puh*-please Adam! *Du*-don't leave the burden to my sister," begged Tanjiro, drooling as he reached back and grabbed his ass. His hands disappeared in his soft ass flesh, fingers swallowed by pliable flesh as he spread his fat cheeks. Showing off his tight wrinkly asshole and useless leaky clit that sputtered clear pre-cum as he spoke.

"Gimme your dick too," he continued, with lustful eyes, "It's my burden to bear as well-*hhnnnnnggghh*!"

"Such a good brother, I'd be happy to give you a hard burden to bear." Teased Adam as he shoved his cock into Tanjiro's fat ass cheeks. His tight butt hole swallowed Adam's cock with little resistance and Tanjiro's face melted as Adam's cock made a belly bulge large enough to touch his sister's back.

"*Hnnnggh*, *yeeeeessh*!" shouted Tanjiro as he shot ropes of clear worthless ball slop over his sister's back, "Fuck my boi-pussy!"

"Such a pathetic sissy bitch. Do you even care that you lost your chance at freedom?"

"*Heeennggh*, *noooo*!" drooled Tanjiro, "I wanna be your bleached bitch with my sister! *Pwwease* don't separate us!"

"Silly sissy, I was never gonna split you two. You're a matching set of pets."

"*Hnnnggghhh*, *thaaankk-yooossh*!" screamed Tanjiro, he whipped his head back and panted like a bitch in heat as Adam abused his virgin asshole. Each pulse, and thrust a hard reminder of why his sister so quickly became a bleached bitch.

Adam grabbed Tanjiro's arms and pulled him back as he kept slamming his meat into Tanjiro's boi-pussy. Adam's cock was already drooling pre-cum into Tanjiro's tight asshole, painting her insides white with his hot pre-cum. While Tanjiro leaked load after load of his watery cum over Nezuko's back, he couldn't stop cumming as Adam's meat beat his p-spot. Tanjiro could feel his masculinity and what replaced it was a sweet need for white seed.

"Such a good girl, you deserve the same reward as your sister!"

"*Mmmhhnnnggghh*," drooled Tanjiro as his insides were flooded by cum. He felt like it might explode out of his mouth any minute as his inflated cum belly pressed against Nezuko's back.

"Another night, another successful session of foreign diplomacy." Adam began to pull out his cock. Loads of his thick cum spilled out of Tanjiro's ruined asshole as his cock head left his hole with a loud POP!

"Master, *maaaaaster!*" giggled Mitzy as she entered the room carrying half a dozen outfits.

"I got you some outfits to choose from, but I got you these for the new girls!" Mitzy riffled through the clothes pile for a moment, before pulling out a quartet of black leather collars with little red heart name tags.

"How perfect, why don't you see how they fit."

"*Hehe*, yes master!" giggled Mitzy.

She grinned like an idiot as she wrapped a collar around each of the girl's necks. Each one let out a soft grunt and recovered a bit of composure as Mitzy tightened each collar. Then she quickly knelt at her master's side and handed him the leashes.

"They look perfect, Mitzy." Said Adam, giving his pet a pat on the head as he grabbed the leashes. He fell back on one of the seats and looked at his quartet of well fucked sluts. Their bodies limp and holes still leaking seed, he felt satisfied... for exactly one second.

"Alright pets, get over here. Your master needs cleaning."

"White *cooowwwk!*" drooled Nezuko, the first to crawl over. She brought her brother with him, and luckily he fell off her back rather close to Adam.

"Hnnnggghh, thank you for the meal." gurgled Tanjiro as he buried his face between Adam's nuts. Snorting thick seed as his soft pink lips kissed his master's heavy cum factories.

"Rgggghh, fine I'll stay, but I expect to get fucked hard." Grumbled Inosuke before he wrapped his lips around Adam's cock head. He immediately and roughly started swallowing Adam's cock. Eagerly throaty inch after inch of sweet cum painted white meat.

"And me too, but please marry me master!" moaned Zenitsu as he kissed the underside of his exposed shaft, *"Mmmwwaaah!* I promise to be a good boi-wife, and I'll be a good pain slut I *pwwoomis!*"

"Wowie master, you've totally broken these Japs. They once gave my demons trouble, but I guess that is just what happens when they're exposed to big white dicks." Cheered Mitzy as she snuggled up to Adam, pressing her fat bimbo tits against his bare pecs.

"What do you want to do after you're done fucking us?"

"I'll finish with these three, then...*hmmmmm*." Adam paused to think as he groped Mitzy's tits and twisted her fat nipples. He was unsure of what to do next since he already had such a large harem-

"How about you tell me all about those demons, and their demon friends you have. I think I have some fun ideas."

"Yes master!"
