### **Chapter.13: Tatsumaki**

“You better not cum early on me.” Spat Tatsumaki as she jerked her date's cock, “I don’t wanna clean your dirty cum out of my hair.

“You’ll have to work a lot harder if you want to make me cum” responded Jason.

“You assume too much, boy. I am just showing some appreciation, that’s all” she continued , “I’m just giving you a bit of a special service.”

“And it feels great,” Said Jason, a satisfied grin on his face, “Though you could try using both hands. I’d probably cum faster.”

“*Hmmmmph*, is that so,” pouted Tatsumaki as she continued pumping his cock using both hands this time. She was trying her best to keep up a cold appearance but deep down she was very excited.

Tatsumaki had recently started dating after her sister encouraged (practically demanded) her to get a social life. She did nearly die and that really worried Tsubaki, she wanted her sister to broaden her horizons (and leave her alone for a bit). Though most of the men she met left her disappointed, angry or a mixture of both, until one.

Jason, some scruffy white boy with shaggy long hair and a twink body. He had a cute face and was such a sweet guy. Tatsumaki could tell he was being genuine as he spoke with her and he wasn’t some weird nerd with a legal loli obsession. The first date they went on was just walking and talking which she found to be a nice change of pace; the last guy took her to some trashy seasonal idol event. The second was at an amusement park and he won her a stuffed bunny which had her blushing all day. By the third date Tatsumaki couldn’t hold herself back and wanted to try something different.

She dragged a surprised Jason into a love hotel and sat him down. His pants were turned into shreds with her psychic powers and Tatsumaki's cheeks grew bright red. She'd done research about men but only watched JAVs, and Jason's Dragon level dick blew the little wolf level jap cocks out of the water. His pulsating, veiny white cock was bigger than her forearm with a flared pink tip and a pair of heavy apple sized nuts. She was reasonably concerned for her life, but she was the Tornado of Terror! There was no giving up.

Now...

Tatsumaki was stroking his cock in a super pink valentines themed love-hotel room, while giving a foreigner a sloppy handjob; albeit a very cute foreigner. She loved watching his cock twitch with each pump and pulse in her grasp. Her hands were barely able to wrap around its veiny girth. Though, when she heard him moan it made her want to stroke even faster.

"Not that I care, but..." Tatsumaki bit her lip before asking, "*Du*-does it feel good?"

"It feels great, you're a natural!"

"Well you can do some work too!" Shouted Tatsumaki as she quickly lifted her body up psychically. She let go of his cock and pushed her cute bubble butt against Jason's face. Which she definitely didn't do just to hide her beat red face.

"*Mmmmmph!*" Jason was muffled as the back of Tatsumaki's skirt pressed against his face.

"Did that excite you? Well maybe I should step it up." Tatsumaki looked down and wrapped her feet around the middle of Jason's cock, slowly pumping his massive shaft.

"*Hehe*, do you like that per-*mmmmmph!*"

"Oh, are you sensitive there?" Jason teased, he didn't just sit there and take Tatsumaki's abuse. He reached up and grabbed her hips from under her skirt before shoving his face underneath her dress.

"You're not even wearing any panties! Did you hope I would do this..."

"*Mmmm, yuh*-you better *sto-ahhhnnn!*" Tatsumaki let out a sloppy groan as she felt Jason's soft wet tongue lift her clit's hood and mercilessly push her love button. He was

merciless and within a couple seconds, Tatsumaki's pussy was throbbing and her eyes fluttered as she-

*"Nyyhhhhooo!!"* Tatsumaki's body shivered as she bit her lower lip. Her face beat red as Jason made her cum in under thirty seconds. She squirted like a sensitive school girl, letting out regretful moans as her feet slowly stroked his cock.

*How the fuck did he make me cum so fast? I'm twenty eight god dammit! I should have more stamina than him,* thought Tatsumaki as she turned back. Her cheeks nearly glowing red as she puffed them out.

*"Hmmmph,* not bad, but can you handle some rough play!" Tatsumaki extended both her hands and surrounded Jason's body in a green psychic aura. Then quickly shoved him onto the bed, pinning his back to the hot pink sheets with telekinesis before she hopped on top of him.

*"Mmmph,* you're pushing me pretty hard."

"You're a big guy." Tatsumaki wrapped her thighs around Jason's cock as she continued, "I'm sure you'll be alright."

*Though, I probably won't,* thought Tatsumaki as she looked down at Jason's cock. It poked out from underneath her dress and nearly reached just under her tits.

"You seem nervous, do you want me to lead-"

"No! Just give me a second to undress." Tatsumaki's eyes gleamed bright green for a second and her tight black dress turned to tatters around her, exposing her tight body. Beads of sweat ran down her delicate double-A cup breasts, tipped by two small and hard pink nipples. Her midsection had the slightest signs of muscles and was extra tight. It flexed slightly as Jason's meat pulsed against it.

"Now sit back and try not to bust too fast." Tatsumaki used her powers to spin her body around. Jason got an extra close view of her perfect perky ass cheeks. A tight bubble booty with extra wide hips that curved perfectly to her lower body.

Jason had a very captivating view as Tatsumaki's ass cheeks slowly descended on his dick. The two perfect fuck mounds swallowed his cock and her pink slit eagerly accepted him. Though, the second Tatsumaki's lips swallowed his fat tip she felt a

shock hit her brain that knocked out her psychic powers for a second. Which meant she was no longer floating, and within the second she impaled herself on Jason's dick.

"Damn you're a freak." sighed Jason as he felt her pink innards squeeze his meat tightly.

"Ahhhhhhnnngggh!" Tatsumaki screamed as she regained control of her powers, but it was far too late.

*Is this man a fucking horse?!* Thought Tatsumaki as she felt Jason's cock tip press against the back of her pussy. His fat flared tip pressed down on her g-spot with sniper accuracy and it sent shivers up her spine. It was like his fat dick wiped the world clean for a moment; no monsters, no fear, only breeding with his bestial white cock.

"Would you like me to do most of the-*hggh!*"

"No! I mean, no." sputtered Tatsumaki, gathering her psychic strength, "I can do the moving by myself."

However, Tatsumaki was having stamina issues. This was her first time and taking a cock of Jason's size and girth was tricky. She had to use her powers to mold her body to accept such a big white package, and lucky for her it didn't hurt like expected, but instead it felt too good. Impaling her virgin cunt up and down on Jason's thick throbbing hole destroyer was too much, Tatsumaki couldn't hold on.

"*Hnnnggghh, fuuussshinnn biiigghh!*" Tatsumaki's face shifted to a filthy ahgao as her cunt clamped down and the first of many orgasms rattled her brain. It was strong enough to knock out her psychic powers, again. She was beginning to think his dick was maybe even a god level threat!

"*Haha*, cumming early again?" Jason teased as the force on his body faded, "you're such a quick shot."

"*Hnnngggh, no, no, no!* I *duh*-didn't cum," moaned Tatsumaki. She couldn't see it but she had a sloppy smile on her face. Both her little pink nipples were hard, and her entire body was shivering as she tried her best to hold back another orgasm.

*This fucking dirty... fat... handsome... white brute!* thought Tatsumaki, her jaw hung slack, *How dare he so easily make me cum again. I've got half a mind to squeeze him dry!*

*Well it is only natural we're compatible,* responded Jason telepathically.

*You're an Esper!?*

*Just a weak one, I can only read minds. Not much compared to you.*

*Does that mean-*

*Yup, I'm going to take my dirty white dick and make you squeeze me dry!*

*"Nyooooo-nnmmpphh!"* Tatsumaki cried as Jason started bucking his hips, rutting his fat meat hammer inside her baby box. Her body stood limp as Jason clapped her cheeks with monstrous power. His tip scraped out her honey and countless micro orgasm until Jason finally burst. With a heavy grunt Jason came a gallon of thick seed into Tatsumaki's womb.

*"Hnnngghh, whu-what the fu-fuh-ssshh!"* Her eyes fluttered as she tried to stop his filthy, virile, white cum from raping her poor egg, but she was powerless. His seed wriggled out of her power and started swimming to every corner of her womb. They swam up her fallopian tubes and Tatsumaki wondered if she'd be filled with triples in a few months.

"No fainting, Tatsumaki. I wanna push the Tornado of Terror to her limits!" Exhaled Jason as he pushed Tatsumaki forward, his cock flopping out of her gaping cunt with a pop. Her body landed on the soft bed, bouncing for a moment before landing face first and flat on the sheets. She couldn't or didn't want to move. Her now inflated cum belly was slowly draining over the sheets and she didn't want to move until she was empty.

But Jason wasn't waiting...

*"Hnnngghh,"* groaned Tatsumaki as she felt Jason's cock poke between her ass cheeks. His hot body was over top of her own, looming over her like a beast ready to breed.

*Please, I think I'll go crazy if I cum more.*

*Too bad! You got me all riled up and I'm not letting you go until every last drop of my thick cum is in your bratty little body.* Thought Jason as he slammed his cock inside.

*"Ahhhngggghh!"* shouted Tatsumaki, her eyes went wide as she felt Jason's big white dick slide into her asshole. The feeling of her womb being smushed as her stomach bulge hit the bed would be enough to destroy a regular woman, but instead Tatsumaki just came her brains out. Her pussy throbbed, and leaked as her bowels were ruined by her boyfriend.

"Your thoughts went blank, is everything alright?"

*"Hnnggghh, whu-wruh-wrong hole!"*

"Oh do you want me to stop?"

"I didn't-*mmm*, say that." Tatsumaki looked over her shoulder as she sputtered, *"Nnggh, ju-just keep moving... It's starting to feel good."*

*Uhhhh-fuck, I just came-*

*I can still hear you*, responded Jason.

*Then pound me harder you sis-hnngg ....*

*"Awwwe*, my little girl's brain went blank."

*"Unngghhhhh-hehehe!"* drooled Tatsumaki as a stream of drool dribbled from her lips and seeped into the sheets.

"Well you just lay there and let daddy do all the work."

Her psychic powers shut off and Jason's cock penetrated deep. It stretched her asshole more than she thought was physically possible, churning up her insides with every deep and heavy thrust. The sound of Jason's fat white nuts slapping against her cheeks echoed in her ears as she sputtered moans. Her brain frying from pleasure shocks as she squirted all over the sheet.

"Such a quick shot," teased Jason as he made one final thrust, "But I guess I'm not much, *mmmph*, better!"

*"Duuhhhnngg-cuuuummmssh!"* Tatsumaki's eyes rolled into her head and her lips curved into a smile as Jason's load flooded her bowels. Staining her intestines white,

she could feel his new load pushing the old load out of her pussy as her tiny body struggled to make space.

*I don't think I've ever cum so hard,* thought Jason as he started to pull out.

*"Nooooooooo!"* shouted Tsubaki as her aura surrounded Jason. She let out a slutty grone as she felt him sink back inside her sloppy cream filled asshole.

*Oh, do you want more?* asked Jason.

Tatsumaki quickly nodded, a smile on her face as she thought, *Just keep pounding me... And if you ever tell anyone I got this slutty I'll kill you.*

"Don't be silly." Jason held Tatsumaki's hands from behind, squeezing them as started moving his hips, "I won't need to tell anyone after turning you into my hapa factory!"

*"Hehehe-nooooooooo!"* cooed Tatsumaki, a big smile on her face as she drooled over the sheets. Her mind melted as she thought about everyone seeing her baby belly. They'd all know she was a bleached bitch... and it didn't even seem that bad.
