Bleached Bitches Ch.16:Yoruichi Shihoin

Yoruichi had gone completely white cock crazy, no white men within her gaze were safe. She ambushed tourists in their hotel rooms, sucked white men off in the alleyways behind dumpsters and at night she occupied one of the Royal Hearts club's gloryholes. Until the early hours of the morning Yoruichi would drain the balls of any horny white foreigners that approached her but if they weren't white?

Then God help them because Yoruichi would give them divine punishment. She didn't squat in some filthy club bathroom every night, forced to listen to the blaring trance-techno just to have a lesser dick shoved through her gloryhole, she was made to milk white cocks and it would be a waste to use her body for anything but worshipping those fat white meat hammers.

Every inch of Yoruichi's stacked brown body was the image of slender muscled perfection, tight, toned and tattooed to show devotion to her white gods. A platinum white queen of hearts womb tattoo, tipped with cat ears and a tramp stamp of the phrase "Whites Only" to proudly show her love for white dicks and white dicks only. In other words she was perfect and wanted only the perfect cocks.

There should be no confusion, but some bois just didn't get the message...

"What the fuck is this gross brown dicklet!?" Yoruichi shouted as she grabbed the "man's" little brown cock. His balls weren't even big enough to fill her palm, little shaft smaller than her pinky but more importantly;

“Didn’t you read the sign, shrimp dick?” she continued, her voice annoyed as she squeezed, “White dick only, I don’t wanna see your shrimp dick within a mile of this place, **got it?**”

“But I’m a paying cust—ahhhnn!”

“I don’t give a shit, those are the rules,” Yoruichi tightened her grip and pulled the brown bois body closer to the black separators. He must’ve weighed at least a hundred and fifty pounds but he felt like nothing to Yoruichi who easily manhandled him, reducing him to a drooling mess as she squeezed his little dick.

“And you broke them.”

“Uhhhhnnnggh, shu-stooopp!” he groaned as the grip on his nuts tightened.

“Time for your punishment~” Yoruichi’s voice had a sadistic hint as she twisted his little brown dick, sending the guy falling back out of the gloryhole. His little brown dicklette spurted a little load, just enough to be noticeable and just enough to make Yoruichi feel disgusted.

“Ewww,” she spat, glad that none of his loser load got on her side of the stall. She hoped there wouldn’t be any more inferior cocks inserted in her gloryhole tonight but at least the next one seemed very promising.

Yoruichi could hear a man unbuckle and from her hole his bulge looked awfully big. She licked her lips, tasting her dark purple lipstick as a little bead of spit dripped onto her bouncing D-cups. Both boobs pressed against the stall as Yoruichi mewled, “Don’t delay stud and show this ghetto suck slut what you’re packin~”

“Hey is this guy okay?” asked a voice on the other side of the hole.

“Who cares?! Just kick him to the side, he’ll be fine,” responded Yoruichi, almost sounding annoyed that the trash on the floor got brought up again.

“Works with me.”

Yoruichi heard a thud on the other side of the stall, presumably he got his premature ejaculating ass kicked out of the stall but any thought of her previous harasser got knocked out of her head the second Yoruichi saw his massive white cock. A perfect foot long pale womb beater with a fat head and a thick shaft that fattened near the tip and

just at the edge of Yoruichi's vision she could see his cum chuggers; two massive orbs of hot, hairy flesh the size of soft balls, just waiting to pump her full.

"Holy fuck yes, finally a real white boy!" Yoruichi bit her lower lip and pressed her nose against his shaft taking a deep huff of his musk, "*snoooooort, mmmmm w-w-why* don't you shove those heavy nuts into the hole so I can give your cock a proper polishing~"

The man complied, shoving his nuts through the hole to Yoruichi's delight. Her lips were pressed against each of his nuts, planting big purple kiss marks over each one as she stroked his shaft. She could hear the man grunt from the other side of the stall, he had a young voice with a hint of gruffness, "Not bad bitch but it could be better."

"I haven't even gotten started, white boy," Yoruichi cupped his nuts and pleanted a kiss on the tip of his dick, "*Mmwwaah*, you'll never go back to those skinny gook cunts after I've milked you dry—*aaahhmmmmnn!*"

Within a second more than half the man's shaft was deep in Yoruichi's throat, bulging her windpipe as she moved her lips up and down his perfect pale shaft. It was a divine feeling, nothing in the world could compare to the feeling of a thick white dick filling Yoruichi's throat. Not a second of her days were spent not wishing she was milking some white bitch breaker and now that she had one she couldn't help herself. Her sucking became wild, her lips extending into a sloppy duck face as she slurped down every last inch of godly meat she could.

"*Ghuuuunnk!*"

Ghhhuunnkkkk!"

"*Mmmnnhhhh!!!*" Yoruichi came a little, her pussy pulsing as she felt his tip hit the back of her throat. For just a moment everything went fuzzy and Yoruichi could feel herself slipping but she didn't stop. Her lips were completely devoted to the act of draining white spunk.

"Filthy nigger slut, move faster," he grunted, Yoruichi could hear the little groans breaking through his gruff tones/ A clear sign that she was doing a good job but according to her "master" she could always do better.

Mmmmmnn—aaaaah, yes master," mewled Yoruichi as she peeled her lips off, one hand stroking the man's dick, "you're dumb coon cumdumpster will move much faster, please do not hold back you divine loads—*aaahhmmmmnn!*"

Yoruichi's eyes crossed as she started bobbing her head up and down, moving with a religious fervor in an effort to drain the fattest load possible. Her hands gently massaged his nuts, she could feel him getting closer to cuming. The floor of pre-cum grew stronger, coating Yoruichi's tongue until he blasted. Shooting a hot geyser of white cum down Yoruichi's throat, which Yoruichi skillfully sucked down, letting out soft catfish purrs as she swallowed his tasty cum.

Then, Yoruichi peeled her lips back off the man's dick, leaving smudges of purple down his dick but not a single sperm cell was left on his cock. She'd swallowed every last drop he'd given her; tongue was clean and her mouth empty, not a drop was wasted and she was hungry for more.

"Ready for sound two, stud?" she asked, standing up.

"I'm still hard, aren't I?"

"That's what I love to hear," Yoruichi's cunt pulsed as she squatted down, placing her hands on the other side of the stall as she pushed his spit shined white dick against her ass cheeks. She loved the way it pressed against her skin, the difference between white dick and brown bitch was clear as day at the moment but such comparisons were too obvious to even mention, especially when she was getting ready to breed.

"I can't wait to feel this fat

"Want me to put on a con—"

"Fuck no, master," she interjected, "It's your right to dump every last sperm cell in those nuts into my womb, so please do not pull out!"

"Greedy coon, if you want my sperm so badly then start moving," he ordered, cock pulsing.

"Thank you for choosing this dumb nigga~" Yoruichi could feel her brain melt as she sunk his thick dick into her cunt. Her cunt quickly spread to accommodate his cock right before Yoruichi started to pick up speed. All that experience as a shinigami was being used to quickly bounce up and down on white dick.

"Ahhhhnn, such a fucking studly dick, rape my womb!" She cried as her booty smacked against the side of the stall as she moved her hips and down his powerful white rod. Her

toned stomach muscles bulged with each deep insert of the man's pale womb beater, his fat cum factories already starting to spurt jets of thick pre-cum into Yoruichi's cunt.

"Fuck you weren't kidding, you're much faster and a whole lot tighter than the other bitches around here." he grunted.

*"Huuuuff, hhnnaaan, t-th-*there is more where that came from, I'm the tightest black bitch in this entire fucking city," Yoruichi let out a sloppy grunt, her teeth clenched as she slammed her hips down on his dick, "you won't find a better bitch to colonize with that thick white cum."

Yoruichi could feel his cock churning up her insides, his tip poking inside her womb every time his shaft sunk inside her pussy. The sound of hot wet slapping as Yoruichi's oiled up ass cheeks hit the stall walls was louder than the music. Her pussy clung and clamped to this man's cock, eagerly milking him for all the rich white spunk he could muster.

"Hey you busy?" A man stuck two fingers through the hole on the other stall wall, and by the look of his bulge he wasn't Japanese.

*"Hnnnaaa-hhnaa, m-mu-*my mouth is free stud, you can—**SLAP!**"

"Get to cleaning me ghetto trash, it's been a long day." the man ordered as he pushed his cock through the hole just in time for it to slap against Yoruichi's face. His white meat hammer was extra thick, with a smaller tip than normal but a girth that meant Yoruichi's throat was getting extra stretched as she worked to lap the sweat of this white god's cock.

"Snoooort, mmmmmm~ Yes master," she drooled as she licked up his shaft, her tongue greedily lapping up the beads of sweat that coated the underside of his shaft and fat saggy nuts. The taste burned Yoruichi's tongue and the smell made her brain blank but she craved more.

"Keep it up whore, I've got a meeting in ten and you're getting me close."

"Mnnngggghnnnn!" Yoruichi didn't waste a second and started taking the man's cock down her throat as kept squeezing the second with her cunt. Not neglecting either pulsating pillar, devotedly milked them; she slid her body back and forth, up and down on their perfect pale pillars.

Her jaw strained as she took the man's girthy meat, her throat completely packed full of veiny cock meat. There was barely enough room for her to suck back air, but who needed air when there was cock to suck. Yoruichi didn't stop swallowing the man's penis until every last inch of his sweaty dick was throbbing in her throat. While the second man started moving on his own, churning up Yoruichi's cunt as his fat tip scraped out his folds with each thrust. Then after what felt like hours to Yoruichi's bleached brain, she felt both men's cock throb hard enough to snap her to attention.

"Take my load cunt!"

"Enjoy your tip," chuckled the other.

"Ghuuuuggkkk!" Yoruichi gurgled as she felt her holes get packed full of cum.

Her brain shut off as both men pumped her full of their hot white cum. She could feel it inflating her womb and seeping into her stomach. The meat of the man in her throat had swollen to the point Yoruichi couldn't breathe but that was okay. She wanted white cock to be the thing to suffocate her, destroy what was left of her brain cells and make her a cheap cumdumpster for white dick; after all, cumdumps didn't need to think. So why did Yoruichi still need brain cells?

However before any real damage could be done both men pulled out of Yoruichi's holes. Jets of their thick cum escaped her gaping cunt and mouth, splattering against the stall walls staining them white as the thick seed oozed down onto the floor.

"Thank bitch, I'll be back tomorrow~"

"Huuuuff... huuuuuff... nnhhyh, t-th-thank you sir," she mewled her voice raspy as she tried desperately to catch her breath, *"huuuuff, p-please do~"*

Yoruichi looked at the floor, her brain buzzing as her lungs desperately sucked back air. She'd need a moment to fully recover from her double filling and Yoruichi considered cleaning up the split seed herself. It wouldn't be the first time she sucked up white sperm off the tiles of the club bathroom but before she could fall to her hands and knees Yoruichi was greeted by a new pair of cocks.

A double surprise of twin thick white dicks were pressed against her ass and face. Their owner's happily rubbing them against her as one of them asked, "Did you fall asleep bitch?"

“If you’re not ready we can always go to that Orange haired bitch in the next—”

“Fuck no, *mmmmhhnn~*” Yoruichi’s eyes fluttered as she oppressed her ass back, hot dogging one dick between her firm ass cheeks as she licked up the other.

“I’ve always got more room for white boys, just please don’t hold back,” she mewled, aligning both cocks with her holes as she continued, “I’m your bleached bitch~”
