Bleached Bitches: Chapter.8 Hinata & Naruto

Hinata had just finished shopping for the evenings' dinner. The job of a housewife was never ending and she was always working to keep her family together, despite her husband's absence. Naruto was always so busy these days with running the village and meeting with diplomats that it felt like Hinata hadn't seen him in weeks. Though when she got home and placed the groceries on the table, she got a pleasant surprise.

The light to their room was on, and Hinata wondered why Naruto didn't tell her that she'd be home. However Hinata wasn't about to complain, it had been ages since she got to be all lovey dovey with her hubby. So she quickly put the groceries away and walked over to their room, but she was quickly greeted by the sound of wet slurping?

Hinata was confused for a moment, wondering what her husband might be doing? But then she realized it almost sounded like... *No, it couldn't be*, thought Hinata, Naruto would never cheat on her with some hussy. It didn't seem possible, but Hinata felt too meek to just burst into the room. So instead she leaned against the door frame and peered through the crack in the door. She expected the worst and prepared herself, but she wasn't prepared for what she saw.

Her husband... Well it was her husband, Naruto but he had changed himself into a girl with his sexy-no-jutsu; at least that's what Hinata thought. He or maybe she was naked, save some fishnet arm sleeves and leggings clinging to his toned arms and thick thighs squishing his soft flesh. His curvaceous body was even more plump than her normal bimbofied form. His wide bimboi hips curved into a massive pair of ass cheeks and big fake tits that both seemed to be in service of the tall pale man before him. Naruto's new thick lips were wrapped around the man's thick pulsating shaft, his head bobbed up and down his entire foot-long length, lips extending into a slutty duck face.

"Guuuak!"

“Ghhaaak!”

“Ghuuullkkk!”

Naruto gurgled as he took the man's massive pale monster. His thick yellow painted lips coating the man's cock in thick yellow rings and smudges as he sucked like a crazed whore. While behind the well muscled white man she could see an identical shadow clone of her now sluttified husband. Making out with the home breakers asshole, she could hear the obscene slurping from the door and she could hardly process the whirling of feelings she was experiencing. Betrayal, anger, sadness and confusion left her stunned and trembling...

“Na-Naruto, what are you,” she said under her breath, but before she could continue she fell forward. In her distracted state she leaned too much on the door and tumbled into the room, falling on her face.

“Ouch...” muttered Hinata as she looked up to see Naruto still sucking the man's cock. Hinata couldn't believe how dedicated her husband was to sucking cock that her tumbling into the room didn't draw her husband's attention, but it did catch the attention of the man she was sucking.

“Hey slut,” spat the man as he pulled Naruto's lips off his cock, leaving rings of yellow lipstick and a coating of Naruto's spit over his thick white meat. “I think your wife has something to say to you.”

“Ahhhggg, sorry master!” Moaned Naruto, and his clone, who disappeared quickly after his master grabbed his hair and pulled Naruto out from under his cock.

“You know how dumb I get when I'm sucking your cock.” Natuto continued, ropes of spit breaking as Naruto panted like a bitch in heat.

“Naruto you're... And he is...” Hinata gasped as she saw her husband's shriveled cock, Naruto was never large, but he wasn't this small. His cock had been reduced to a one inch nub no bigger and thicker than Hinata's pinky finger with two shriveled up grapes for testicles. Which was all tightly packed in a tight yellow chastity cage.

While the hung white dick Naruto just finished sucking was massive, a foot long piece of meat, thicker than her wrist, with a fat red cock head and massive orange sized testicles. The pre-cum his fat cock tip drooled appeared thicker and there was more of it

than Hinata ever saw Naruto shoot. It was horrifying for Hinata to see, but her eyes quickly fixated on the other man's cock.

"I know babe, he's like super fucking big!" Giggled Naruto as he stood up and walked towards Hinata. His fat new bimbo titties jiggling as he walked up to her and pulled her back to the man by the wrist.

"Naruto, what is going on, why are you like..."

"A massive bimbo fucksleeve?" Giggled Naruto, "It's a bit of a long story but here babe..."

"Naruto what are you... *Ahhnngg!*" Cried Hinata as Naruto pulled her forward, forcing her down to her hands and knees at the base of the man's cock.

"You can huff Richard's tasty white cock while I tell you all about how he turned us into faggots." Spat Naruto, rubbing Richard's bare chest.

"*Nyyyygghhh*, Naruto whu-*uuhnnnn*," groaned Hinata as Richard's fat cock slapped right down the center of her face.

"Keep quiet bitch, can't you see your husband is trying to talk." Spat Richard, pressing his shaft against Hinata's face.

"*Hyyyygghhh*, *snnoooooort*" groaned Hinata felt a shiver run up her spine. She couldn't resist or muster any strength with this massive white pole pressed against her face. It was like her brain was going blank, her thoughts turning into mush with each deep inhale of his heavy musk.

"Now bitch, tell your retarded wife why you betrayed your village and race." Spat Richard.

"*Hehehehe!* Duh, it was for big white dicks!" Drooled Naruto, "ever since Sasuke introduced us to you guys, we haven't been able to stop sucking your cocks!"

"*Snoooort...Nyyggghh*, us?" Muttered Hinata.

"That's right honey, Sasuke basically sold us out for cock!" Cheered Naruto, "such a greedy faggot, she could've did it sooner and shared."

“That raven haired bimboi was such a desperate whore after we pumped him full,” chuckled Richard, “that’ll show him that our village’s techniques are superior to whatever the fuck he was doing.”

“*Mmmmwaaaah*, I completely agree. Sasuke was always a total faggot.” Moaned Naruto after planting a kiss on Richard’s cheek, “*mmnnn*, just like every other man in the village, and soon all the women will be like us.”

“You have to work hard slut-kage,” teased Richard, “the village hidden in the clouds has already handed us more willing sluts than your pathetic little village.”

“*Mnnnnnggh*, sorry master,” mewled Naruto, “we’ve been so distracted by your cocks and drugs you feed us. We often forget to convert others!”

“No excuses, just work hard, gook,” said Richard as he pet Naruto’s head. “Now do you wanna tell your wife how I made you my bimboi pet?”

“*Mwwaaaaah*, that’s be super fun,” moaned Naruto as he rubbed Richard’s cock. Slowly kissing down his neck as Naruo continued, “the men of... *Mwaaaah*, his village can put you in a slight gen-jutsu making your mind go blank as you look at their big white monster cocks... *Mwaaaah*, which gives them just enough time to...”

“I think she’s already gone, gook,” chuckled Richard as he lifted his meat of Hinata’s face. Her pale glassy eyes were crossed and her jaw hung slack as beads of drool dripped off her chin.

“Wowie master, you broke my silly gook wife super fast!” Moaned Naruto, “want me to help my brain broken wife service your godly cock?”

“Go right ahead, pet.”

“You are like soooo lucky, Hinata! They wouldn’t let me choke on white dick until I started growing titties.” Continued Naruto as he grabbed the back of Hinata’s head and grabbed Richard’s cock, angling the tip towards Hinata’s soft lips.

“*Ahnnngg*,” groaned Hinata, her head spinning as her nostrils twitch with each musk choked inhale. She could feel Naruto hand pushing her face down on Richard’s thick white dick, and she couldn’t resist at all.

“That’s it honey, take his meat like a good little gook!” Spat Naruto as he pushed Hinata down on his master’s dick. Her throat bulged as his foot of white meat slid deep inside her esophagus. Hinata’s eyes went wide as she realized she couldn’t breathe.

“*Ghhhuuuunnnkkk!*” She gurgled, her arms limp at her sides as drool dribbled onto her sweater with each bob of her head.

Naruto was doing all the work for Hinata. Her weak throat game couldn’t match the goated status of her husband. Naruto was a certified white cock polisher, while Hinata felt like she’d die after about thirty seconds of sucking white cock, and worse, it felt like he was getting bigger. Richard’s massive meat was pulsating in Hinata’s throat, cutting off what little air she managed to choke back.

“Pathetic, but I guess I can’t expect much from a gook’s wife.” Spat Richard as he hawked a loogie onto Hinata’s forehead. Hinata shivered as she felt his cock pulse in her throat.

“It’s true master, my cock was pathetic even before you feminized me. My wife has never needed to throat such a divine dick before.” Mewled Naruto as he tightened his grip on the back of Hinata’s head. He forced more of Richard’s cock down Hinata’s throat as she trembled, her eyes rolling up into her head.

“But don’t worry my lord, I’ll turn her into a proper sex sleeve! I’ll prove that our throats are ten times better than those whores in the cloud village!” Continued Naruto as he looked up at his master with loving eyes. While he hands shoved every last inch of dick down Hinata’s throat.

“*Huuuuggggnnn!*” gurgled Hinata, her brain cells died as she was forced to take over a foot of thick white dick into her throat. Yet, she could feel her pussy pulsating with each twitch of Richard’s fat white dick. Her cunt just melted in a way Naruto never managed, sex with him was loving, but the primal attraction she felt for Richard’s white pillar was getting hard to suppress.

“*Mmmph*, not bad cunt,” spat Richard as he grabbed Hinata’s long raven black hair, “but not good enough. Slave, help your wife milk me.”

“Oh fuck yes master!” Moaned Naruto, “does that mean I can...”

“Yes you can make-out with my asshole, you filthy bleached thot,” chuckled Richard, “show your wife how much you love kissing my shitter.”

"Ahhnn, yes master!" Cooed Naruto as he quickly crawled behind Richard. Naruto spread his master's toned muscled ass cheeks and immediately pressed his plump lips against his sweaty anal rim. His soft pink tongue immediately prodded Richard's asshole with excitement as his bimboi lips pressed against his asshole. Filling the room with sloppy wet slurping.

Hinata wasn't aware of much while Richard choked her with his cock, but she was aware enough to notice Naruto. The last thing she saw was her husband moving behind Richard's side before kneeling behind his ass. Hinata's eyes rolled up into her head as she heard the sound of sloppy ass worship. Her pussy finally being pushed over the edge and she squirted to the sound of her husband kissing white ass.

"That's much better gook," spat Richard as he fucked Hinata's throat, *"you've gotten much tighter. Guess you only needed a bit of encouragement."*

"Hhhnnngghhhh!" gurgled Hinata. Her nipples getting hard enough to be visible through her purple sweater. Her pussy felt just about ready to squirt as Richard pumped her throat in rhythm with Naruto's ass slurping.

"I think you deserve a reward for being such a good sex sleeve." Spat Richard before he tightened his grip. Hinata wasn't sure what a reward could be, but then she felt his cum shoot into her stomach. His ultra thick white load blasted into her stomach like a volcano. Extra thick and way tastier than Naruto's watery loads, Hinata felt like she was in heaven as her stomach was filled by Richard's nasty ball slop. It overflowed out of her nostrils and the sides of her lips. Dripping down off her chin and onto her chest.

"Ahhnnnggg, your ass is always so tasty, master!" Drooled Naruto before he poked his head from behind Richard's ass, *"and you did a totally good job, dear. You'll be a sucky sucky whore super soon if you keep up the good work!"*

"Uhhuuunnggghh!" groaned Hinata, drooling chunks of chunky sperm and drool onto her sweater. It was practically soaked through her sweater at this point, and Hinata looked the sloppiest she'd ever been in her life. Eyes glazed over and jaw hanging slack as her body swayed, brain boiling in after orgasm bliss.

"Though don't think I am done with you whores yet," spat Richard, *"I'm going to give your wife a hard bleaching and I got just the perfect way to do it!"*

Richard quickly made a few hand gestures before a large puff of smoke enveloped his cock. Hinata wasn't sure what was going on, she didn't recognize the symbols he made, but when the dust settled it was clear what his jutsu did. Richard had a pair of double dongs, both thick and white and both looked a bit thicker than his original singular dick.

"Nygggghh, snooooooorrrtt!" moaned Hinata as she leaned forward and instinctively grabbed Richard's dual cocks with her hands. Her fingers couldn't wrap around the entire length but she got enough of a grip to pull his thick dicks close. Rubbing them against her cheeks like some kind of feral fox in heat.

"Such a stupid gook," spat Richard, "all it took was a good throat fucking and now you're snorting white cock like am addict."

"Snoooooorrrtt, mmmnnngh.... Yeeeeesssh," drooled Hinata. Her eyes crossed as she rubbed Richard's twin shafts against her face.

"Mmmmp, you're such a fucking slut," spat Naruto as he grabbed Hinata by her long hair pulling his wife's face out from between Richard's twin cocks.

"Nyyuuuuuh," drooled Hinata as Naruto pulled her away from Richard's twin dicks.

"I can't let you like, mewl and huff cock like a dumb gook all day. I've got to make you presentable for our master so you can milk him properly!" Giggled Naruto.

Hinata trembled, keeping her eyes fixated on Richard's pulsating white meat. While Naturo literally ripped off her sweater and skirt, exposing her soft hips, toned midsection and fat double-F cup tits which dropped slightly as Naruto freed them from her sweater. Both were tipped by puffy pink nipples which stood up on end, hard as rocks.

"Your wife looks more like a cow to me, slave," chuckled Richard. He reached down and pitched Hinata's fat tits with his fingers. Pulling her breasts up as he ordered, "now bend over the bed and present for me, gook, and be quick about it."

Hinata nodded, letting out sloppy groans of pleasure as she stood up. Richard let go of her tits as she stumbled towards the bed. Her knees knocking as she pulled down her skirt and soiled plain white panties. They'd soaked through and Richard could clearly see the cunt juices flowing down her thick inner thighs as Hinata bent over the bed.

Showing off her pale peach shaped ass. Her two cheeks jiggled as she leaned on the bed, looking back at Richard with wide desperate eyes. Her chest pressed against the

bed as she grasped the bed and braced herself for a hard fucking. Hinata needed his fat white cock so badly, her husband's brain fucking and the possibility her children might catch them wasn't even a factor. She just needed Richard's big white dick.

"*Puh-please...*" moaned Hinata, her voice sloppy as she reached back and spread her fat ass cheeks. Revealing her tight asshole and puffy pink pussy lips, topped by some tufts of black pubic hair. It pulsed as she begged, "I... I need...I need you *tuh-to Fu-fuh...FUCK ME!* Fuck my slutty gook pussy like my faggot husband and make me a white cock whore."

"*Ahhnn,*" moaned Naruto, his aged clit leaking as he exclaimed, "I am so proud of you sweetie. You'll be a grade A-Hapa factory in no time..."

"Shut the fuck up faggot," spat Richard, giving Naruto a heavy open palm slap on his fat bimboi booty.

"*Nyyyygggggghh yeeesssh maaasssheer!*" He drooled, her bright blue eyes fluttering as ropes of pathetic clear cum shot out from his little caged nub.

"I'll be the judge of your pathetic wife," continued Richard. He stepped forward and pressed both his thick throbbing cock tips against Hinata's asshole and pussy at the same time.

"Now get ready for a hard fucking gook. I'll drill in your new place," spat Richard as he started sinking his cocks into Hinata's holes.

"*Nyyhhhaaa,*" she cried as her holes were both stretched farther than she ever thought was possible.

"*Mmmph,* you're very tight past the first few inches, gook," grunted Richard, "I wonder why?"

"*Ahhhgggg, muh-my husband had a tiny gook penis!*" Drooled Hinata as her cheeks got clapped, "his cock was *sooooo puh-pathetic* compared to yours!"

"*Mmmmnnn,* to true dear, I've always been a total sissy fag-boi," drooled Naruto.

"At least you have enough brain cells left to realize that." Said Richard before he looked over his shoulder, "now you can help your ex-wife milk me bitch-boi."

“Yes master, I just love slobbering all over your nuts,” cooed Naruto. Drooling like a desperate bitch as he knelt beside Richard. He could see Hinata’s holes were stretched to their limits, her poor pussy and asshole would probably never fully close, again. Richard’s massive meat bulging her belly, deforming her toned stomach with clear outlines of his master’s thick white cocks.

Then Naruto shoved his face below Richard’s heavy nuts, huffing his sweaty ball stink as he slurped. Naruto’s nose was burning as his master’s scent choked his every breath. His own sloppy spittle started to drip on his big bimbo titties as he sucked Richard’s nuts. His face was getting covered by pussy juices which Richard kindly scrapped from his wife. Naruto couldn’t remember the last time he saw his wife squirting so hard, but didn’t care. He existed to serve white cock now and Naruto felt pure bliss as he felt his master start to cum, his heavy nuts throbbing as his tongue coated them in spit.

“Ahhhhnnnggh, fuh-fill my dumbooky ex up, master...” Drooled Naruto as Richard shot his thick load directly into Hinata’s womb and asshole. Bloating her defenseless baby box and clogging her asshole with thick cum that stuck all over her anal interior. By the time Richard finished shooting his load Hinata started to look bloated like a brood mother six months pregnant.

“Not bad gook, you might be a half way decent breeder,” grunted Richard as he pulled his twin dicks out of Hinata’s pussy. Liters of thick ball cream leaked out of Hinata’s now gaping holes, her pink insides now painted white by his extra thick sperm. She could feel his sperm wiggling around her bloated womb, raping her eggs and the feeling alone had Hinata squirting over the floor again...

“Now fuck me up next master. I really need your godly cocks,” begged Naruto. He quickly made a few hand gestures and after a puff of smoke, nothing appeared changed, but...

As he dropped to all fours on the bed and spread his fat ass. Hinata could see her husband’s new filthy fuckhole. His puffy dark asshole gaped slightly and his freshly created pink pussy drooled, awaiting a hard fucking. While his little caged gook-clit trembled bellow. His extra massive cake and thighs jiggling a foot from Hinata’s sloppy o-face as Naruto begged for cock like a whore.

“Shove both those big dicks inside my pussies master and I’ll introduce you to Sakura next! She’s a total fucking slut!”

“What a kind offer,” spat Richard as he crawled onto the bed. Hinata watched as both Richard’s double dicks easily entered her ex-husband’s extra stretched asshole.

“I’ll keep fucking your slutty shinobi holes as long as you keep betraying your race.” Continued Richard as he started thrusting deep into Naruto’s holes. The sound of wet slapping as his twin cocks scraped out Naruto’s asshole filled the room. His nuts clapping Naruto’s ass with a loud;

PLAP!

PLAP!

PLAP!

“Yeeeeesssh, *maassshterr*,” cried Naruto, his boobs shaking and prostate throbbing with each thrust. Both his holes were being decimated, stretched open just like his wife with the added benefit of prostate field bitch-gasms to help melt his brain. Naruto could feel his pathetic cum leaking from his caged cock as he mewled, “I’ll hand over the entire village! Just never stop *fuh*-fucking *meeeeeehh!*”

“*Haha*, of course they will, slave and I’ll make sure they know it was the village faggots who sold them out,” spat Richard as he started pounding Naruto’s holes harder.

“*Yeessssssh!*” Naruto cried as being a bleached whore became his ninja way.

While Hinata watched like a good cuck as he husband was decimated, fucked into a sloppy mess. His slutty body trembling as his broken little clit dick squirted with each hard thrust. In a way she felt betrayed, her husband sold her out to exist as a dumb cock drunk pet. He was a mewling bleached whore that sold out the village for dick, and Hinata was painfully jealous it wasn’t her being fucked.
